## Project Setting

It was noted that the board wants to focus on projects that help the entire state, especially areas not funded elsewhere.

- **Sample project ideas:**
  - GIS (mapping)
  - Cybersecurity
  - Support for the 9-1-1 Resource Center
  - Statewide training and public education
- **Budget Planning:**
  - Solid priorities and dollar amounts are needed to help determine fees
  - Project selection and approvals will come later.

## Community Group Solicitation

- **Collecting Project Ideas**
  - Speak at Colorado NENA/APCO Conference
  - Reach out during Resource Center and Advisory Task Force meetings
  - Colorado Training Institute and Coalition of Authorities
  - Include small 9-1-1 centers
  - Outreach Introduction Letter to be created
    - Board can create its own letterhead
  - Google Form to be created
- Collect ideas by June 16 and finalize plans by September 1, 2025

## Board Comments

- Michael Berry will draft the intro letter.
- BCC email rules for sharing drafts were clarified
- Jennifer confirmed the room setup for the upcoming conference with virtual tech. (Big Thompson A)
- It was noted that there might be more public comments at the May 7 meeting due to meeting in-person at the conference
  - The board will allow extra time for public comments

## Legislative Matters

- The state's "[long bill](#)" was signed. No new rules on contracts or fees.
- [SB25-031](#) Multi-language emergency alerts. The board may fund it, but it is not required. Discussion about Federal 9-1-1 funding. It was explained that only military 9-1-1 centers get regular federal funds; others get occasional grants.
