## Colorado Public Utilities Commission's Public Comment Hearing for the Colorado Power Pathway Siting

***Public Invited to the In-Person Public Comment Hearing:  
El Paso County, Monday, Jan. 26, 2026***

The Colorado Public Utilities Commission (PUC) invites the public to join the public comment hearing concerning Xcel Energy's siting permit appeals for Segment 5 of its "Colorado Power Pathway" project. This proceeding involves proposed routes in El Paso County, Proceeding No. 25A-0355E. The PUC will take public comment regarding Xcel Energy's request for authorization to begin construction of the segment of the Pathway Project along the proposed route within the county.

More information is available on the [PUC website](https://puc.colorado.gov), [puc.colorado.gov](https://puc.colorado.gov), using E-Filings and searching using the Proceeding No. 25A-0355E. The Commission is expected to reach a final decision by April 2026.
