BY REPRESENTATIVE(S) Joseph and Boesenecker, Bacon, Brown, Froelich, Lieder, Lindsay, Mabrey, Ricks, Story, Zokaie, English; also SENATOR(S) Gonzales J. and Weissman, Cutter, Exum, Hinrichsen, Jodeh, Kipp, Michaelson Jenet, Wallace, Winter F., Coleman.

CONCERNING THE REGULATION OF VEHICLE IMMOBILIZATION COMPANIES.

Be it enacted by the General Assembly of the State of Colorado:

SECTION 1. Legislative declaration. (1) The general assembly finds that:

(a) Fair and just enforcement of parking regulations is an essential component of maintaining the order and integrity of public spaces and residential communities, fostering a sense of responsibility and respect among all community members;

(b) Vehicle immobilization practices, when improperly applied or enforced, can create undue burdens on consumers, particularly those who may face financial or personal challenges;

(c) Improper immobilization can undermine public trust in the

system and, at times, may result in the disproportionate penalization of individuals for minor or unintentional infractions;

(d) Vehicle immobilization practices and related fees disproportionately affect low-income individuals and marginalized communities, exacerbating existing social and economic disparities, and in these instances, individuals often lack access to legal recourse, and the resulting financial strain may hinder their ability to secure basic necessities, such as housing, health care, or transportation;

(e) Clear and transparent communication regarding parking regulations, including proper signs and timely notices, is crucial to ensuring that consumers are fully informed of their rights and responsibilities and are given reasonable opportunities to rectify minor violations without the threat of excessive penalties or hardship;

(f) The state must ensure that vehicle immobilization practices are carried out in a manner that upholds the dignity of all individuals, protects consumers from unnecessary financial strain, and promotes fairness by providing avenues for dispute resolution and mitigation of penalties where appropriate;

(g) Vehicle immobilization companies and property owners must be held accountable to the highest ethical standards, with a commitment to transparency, honesty, and fairness in the provision of services. This includes clear, itemized billing, proper safeguards to prevent abuse, and accountability for any damages or mistakes that may arise from the immobilization process.

(h) A fair and just system for addressing vehicle immobilization disputes is integral to maintaining public confidence in the regulatory framework. Consumers must have access to effective mechanisms for challenging fees, seeking timely release of immobilized vehicles, and receiving a fair hearing for their cases.

(i) Vehicle immobilization should not be a mechanism for unjustly enriching private companies or imposing financial hardship on vulnerable individuals. Kickbacks, improper financial incentives, or the pursuit of unfair profits at the expense of consumers undermine the integrity of the system and erode public trust.

(j) This legislation is intended to create a fair, transparent, and equitable framework for vehicle immobilization that balances the need for effective enforcement with the protection of consumers' rights, ensuring that no person is unfairly penalized or unduly burdened by the system; and

(k) By establishing clear guidelines for vehicle immobilization, providing transparency, and offering opportunities for consumers to address minor infractions in a reasonable and timely manner, this legislation promotes the values of fairness and justice, strengthening the trust between the public and those entrusted with enforcement responsibilities.

(2) Therefore, the general assembly declares that:

(a) Ensuring the fair and just implementation of vehicle immobilization practices is a matter of paramount importance to the well-being of Colorado's communities, and enacts this legislation to promote equity, transparency, and accountability in the enforcement of parking regulations; and

(b) Fairness, accountability, and ethical conduct must guide every aspect of the enforcement process.
